Jungle Games

The monkey brings his crayons
 The leopard brings her spots.
 They meet at nine
 Come rain or shine
 And play connect-the-dots.

Leopards hang out in the jungles of Africa.

Tigers prowl through Asian jungles.

Rumble in the Jungle

The roar of the ocean
 The roar of a crowd.
 The roar of a jaguar
 So strong and so proud.

Black jaguars live in South America.

Time Out
 Always on the prowl
 Always on the run.
 Tiger's tigered out
 So he's basking in the sun.
